

STATE OF MAINE
PUBLIC UTILITIES COMMISSION

Docket No. 2000-874

November 13, 2000

CENTRAL MAINE POWER COMPANY
Request for Approval of a Special Rate
Contract with James Rattigan

ORDER APPROVING
CONTRACT

SUMMARY OF DECISION

By this Order, the Commission approves Central Maine Power Company's (CMP's or the Company's) proposed customer service agreement (CSA) with James Rattigan.

DISCUSSION AND DECISION

On October 19, 2000, CMP filed with this Commission a proposed CSA with James Rattigan. Pursuant to Revised Attachment F approved by Commission Order dated July 13, 1999 in Docket No. 99-155, contracts with terms of three years or less that are not anti-competitive or unduly discriminatory and that provide revenues sufficiently in excess of the Company's marginal cost floors go into effect automatically. However, based on our review of the contract, it appears that it will not result in revenues adequate to meet the criteria set forth in Revised Attachment F. Specifically, although the contract revenue will exceed the marginal cost, it will fall short of the adder required by Attachment F. Therefore, in order to become effective, this contract requires Commission review and approval.

We have reviewed the contract and find that there is no significant risk to CMP's other customers as a result of this Agreement. Therefore, we will allow the CSA to go into effect.

Accordingly, we
